TOP SECRET

Director's Meeting

2 August 1951

Mr. Jackson discussed the Reber-Chadwell memorandum on Scientific Intelligence and the point of view of the Services. The Director stated that the subcommittee on electronics, guided missiles, and chemical warfare must immediately undissolve itself and remain active until its future was determined by the DCI and the IAC. The DCI spoke to General Bolling on this matter. He also stated that there should be a survey of the scientific field

TOP SECRET

Director's Meeting (Cont'd.)
2 August 1951

Mr. Wisner reported on a conversation with Gordon Gray and General Gruenther. Gruenther is worried about the psychological atmosphere in Europe but very pleased with [   ] whom [   ] has been behind. Gen. Gruenther was informed of our interest. Mr. Wisner asked if he could also brief Senator Lodge and dissuade him from pressing [   ] to come to this country. DCI approved.

25X1

Mr. Wisner reported that Mr. Dulles agreed with Mr. [   ] ideas on the clearance of agents. Security is presently too tight. The DCI stated that Mr. Dulles would work on this matter upon his return.
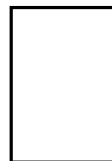

25X1

Mr. Wisner reported on the McMahon letter in regard to Donald McLean. DCI agreed this should be coordinated with FBI.

DCI stated that Jim Angleton believes that a desk-to-desk relationship between [   ] and FBI is possible and desirable. The DCI may have to talk to Mr. Hoover in regard to a "treaty of assistance".

25X1

Mr. Wolf asked if we could pay [   ] travel expenses. DCI said that we could pay travel time for travel time but not actually travel expenses.
